Summary

Georgia Tech Full Stack Web Development bootcamp graduate with background in technology sales seeking career change in web development. Creative, quality-oriented professional with proven time management, communication skills, knowledge of consultative sales, and client relations.

Technical Skills

HTML, CSS, Bootstrap, JavaScript, jQuery, Node, Express, React, MongoDB, MySQL

Projects

Snoobie | GitHub: <https://github.com/Sttorek/snoobie.git> | Deployed site: <https://sttorek.github.io/snoobie/>

- Snoobie utilizes PetFinder API and a short lifestyle quiz to provide a list of local shelter dogs that are compatible with your lifestyle
- Responsibilities included styling, name generator API, and local storage of selected names
- Utilizes 3rd party APIs, HTML, CSS, Bootstrap, JavaScript, JQuery, and local storage

HomeRoute | GitHub: <https://github.com/Mattyb5000/property-management-app.git>
| Deployed site: <https://salty-hamlet-13390.herokuapp.com/login>

- HomeRoute is a property management tool to help landlords track their properties, tenants, and leases
- Responsibilities included styling, installing and implementing Chart.js, and Heroku deployment
- Utilizes HTML, CSS, Bootstrap, and JavaScript, with MySQL relational database, Handlebars, and deployed to Heroku

Git.Commit | <https://github.com/Mattyb5000/git-commit-code.git> | <https://thawing-shelf-99876.herokuapp.com/>

- Git.Commit aggregates projects of various programming languages and tracks progress to help bootcamp grads continue practicing their new skills while building their portfolio
- Responsibilities included styling, installing and implementing Chart.js, and Heroku deployment
- Git.Commit is a MERN stack application using MongoDB and Chart.js to display progress data.

Work Experience

AKAMAI TECHNOLOGIES Atlanta, GA

Sales Development Representative, Aug 2018 – Feb 2021

- Managed multiple self-generated and marketing-generated campaigns and consistently produced five to ten qualified sales opportunities to meet and exceed monthly quotas

- Expanded sales network internally as well as engaged untapped external resources to identify and close new business totaling over \$100k in revenue per year in 2019 and 2020

VONAGE BUSINESS Atlanta, GA

Account Executive, Oct 2017 - Aug 2018

- Consistently exceeded minimum sales goal of \$3,750 per month, achieving personal goal of at least \$5,000 per month
- Promoted to higher sales tier after 2 months in role for consistently generating highest revenue

Sales Development Representative, July 2017 - Oct 2017

- Consistently achieved above average lead-to-opportunity conversion rate maintaining above 50% every month
- Promoted within 3 months from qualifying prospects to closing business and driving revenue
